### Benefits Relay for Life

*Courtesy photos*

Northland Area Federal Credit Union branches hosted bake sales on Feb. 12 to benefit Relay for Life, with employees providing baked goods which were purchased to benefit cancer research. The credit union, which has three Relay for Life teams, collected \$1,206 in a matter of hours. NAFCU Oscoda branch employees Erin Duby and Lindsay Argo, above, and Tawas City branch employees Kathy Johnson and Terri King, below, are members of "The Loan Rangers," NAFCU's Iosco County relay team.

Cath Garnham

### F&V names new associate

EAST TAWAS – Cath Garnham, a regional manager for F&V's Operations and Resource Management, has been named an associate by the company's principals.

"The Principal/Associate program was started in 2006 to promote leadership and ownership transition," said Larry Fleis, president and co-founder of F&V.

Fleis made the announcement at the company's annual breakfast and anniversary celebration.

Garnham manages the Huron Shore Regional Utility Authority (HSRUA) water treatment facility in Iosco County. Fleis said Garnham has been a great administrative and technical supporter to Blair Selover, the group's manager. She also helps in a number of areas for the company's operations group.

Garnham, who has been involved in water and wastewater operations now for 25 years, was hired in July of 2012. She is one of 13 associates with the firm and the first woman to receive that honor.

### Round-up recipient

Oscoda Goodwill store manager Jennifer Krause, right, received a \$550 check last week to Shelter Inc., represented by Harmon. The donation was made possible by the store's round-up program held in December and January, when customers volunteered to round up their loose change to the dollar. Krause said Goodwill is currently looking to partner with other non-profits with similar missions, which is people with barriers to employment in making the transition to independence and self-sufficiency. As of March 1, the store will partner with Carol's Baby Pantry. Non-profits interested in applying to become a partner, may call 569-3860, or provide an application from the store.
